Shop with a Cop Program

Regulations regarding Shop with a Cop Program

1. Completion of this application does not guarantee you will be selected. We Select the most needy children/families first. The number children we are able to help during the holiday is based upon the amount of donations we receive from local businesses and citizens. Funding for Shop with a Cop is solely based on donations from the public and the number children/families selected is limited.

2. Parent or Guardian must be present with child/children on the shopping date. Purchases cannot be made for children who are not present. You will need to provide your own transportation.

3. We check/verify with other organizations to see if the child is receiving assistance from those organizations. If the child is receiving assistance from another organization, we will consider children not receiving any assistance first.

4. The child must be a resident of Brazil, Clay County, Indiana.

5. Each child will be allowed to spend a specific amount and will not be allowed to go over the specified amount. Receipts on purchases will remain with this agency.

6. It's a good idea to have a specific list of items your child needs or would like to have. If selected, you will go shopping at Wal-Mart in Brazil, Indiana.

7. We encourage parents/guardians to have their child pick out needed clothing along with any other personal gifts they would like.

8. **If you are selected, an approval phone call will be made to the number listed on this application on, or about, December 4th. We will advise you of the date, time and location to meet with us.**
