Bond Company: _____ Bond #: _____

Standard Conditions:

1. Materials shall not be stockpiled within the public right-of-way.
2. Work must commence on the date submitted on the application. If not so commenced, the permit shall automatically terminate unless an extension of time is obtained. The permit shall expire on the estimated date of completion on the permit.
3. Contractor shall attach a \$15,000 (minimum) License/Permit Bond on the approved bond form for a single location or blanket bond. Subject to evaluation of scope of the project by City Planning Office.
4. A permittee shall provide proof of General Liability Insurance in the amount not less than \$1,000,000.
5. If the applicant is using any subcontractors to complete the project, they must meet the same security requirements as outlined above.
6. At all times while work is in progress, the permittee shall maintain at the job location a sign, barricade or other device bearing the permittee's name in such a manner that it is clearly visible.
7. If lane closures are required, you must file a road closure form with the City of Brazil.
8. A map or sketch and other supporting documentations shall be submitted to the City of Brazil Planning Department for review and approval at least ten (10) business days prior to anticipated start of work.

9. All work shall be inspected by the Right of Way Locator. Inspections must be scheduled at least 24 hours in advance. Approval of this permit allows work to be done only during the hours of 8:00am-6:00pm., Monday-Friday, unless otherwise approved by the City of Brazil Planning Office.
10. The owner/applicant shall be ultimately responsible to ensure that compliance with the City of Brazil Municipal Code is achieved on this project.
